

20: BDM 539190

The map displays the BDM 539190 area, showing various forest types and sampling points. The map is overlaid with a yellow line network connecting several points. The points are labeled with their names and coordinates, such as 'ForetFeuillus 20_05_01', 'ForetMixe 20_06_01', and 'Autre 20_01_01'. The map also shows a 'ZoneConstruite' (built area) and a 'transport' line. The background is a satellite image of the forested area.

Map labels include:
